4:15-5:15 - Opening number (all dancers who are participating)

5:15-6:15 – Show # 1 Run Through - Optional

6:30-7:30 – Show # 2 Run Through - Optional

7:45-8:45 – Competition Company run through

Below is the schedule and procedures for Thursday, Friday and Saturday's events. **Spacing Rehearsal and Dress Rehearsal are both at Norman North High School in the Nancy O'Brian PAC located on the North side of the high school. ****Attendance at spacing and dress rehearsals are REQUIRED** -It is an extremely important part of the process.****

General tips and information

-Please label EVERYTHING (shoes, costumes, etc) with your child's name

- There is no food or drink allowed in the building. The building is very strict enforcing this rule.

-Please do not send anything backstage that can stain your child's costume. This includes colored drink or food, markers, make-up, etc. If you would like to send make-up backstage for touch up's, please label and give directly to the sitters to apply

-I will have coloring books and crayons backstage for the dancers. Feel free to send other activities with your child. However, please do so with caution, as we are not responsible for lost items.

-You might want to send a blanket to lie down on the floor for your child to sit on
- Hair for all dancers will be in a high bun on the crown of the head. Tutorials will be sent at a later time. If your dancer has short hair that will not go into a high bun, please gel the sides back and secure at the nape of the neck to achieve a look similar to a bun. Dancers in hip hop can wear their hair in a high pony tail, if they have time to change to/from a bun for other dances that they might be in.

-Make-up - all girls and boy dancers should wear some make-up. It is of course up to you, but blush, mascara and lipstick (no lipstick for boys) will help even our youngest dancers not get washed out on the brightly lit stage.

SPACING REHEARSAL INFORMATION * REQUIRED

Thursday, JUNE 2ND

**Spacing Rehearsal (show 1) 12:15-5:00 (detailed schedule below)
@ Norman North Nancy O'Brian Center**

Friday, JUNE 3RD

**Spacing Rehearsal (show 2) 2:30-5:00 (detailed schedule below)
@ Norman North Nancy O'Brian Center**

Please read below and note that these are two different rehearsal times and the two days are different shows. **IT IS IMPERATIVE THAT YOU CONFIRM WHAT SHOW YOUR CHILD IS IN SO THEY SHOW UP ON THE CORRECT DAY.** It is required for them to be at Dress Rehearsal as well as the Spacing rehearsals. These are by far the most important rehearsals of the week.

All dancers whose dance will be spaced before 4:15 p.m. do NOT need to be in costume for spacing. It is my recommendation for all dancers whose dance will be spaced AFTER 4:15 p.m. to arrive ready to go in costume, hair and make-up, as we will begin lining up backstage for dress rehearsal at 4:45p.m. SHARP--please be ready and on-time.

- Please arrive at least 15 minutes early with the proper dance shoes on. All dancers will sit in the auditorium with their class and wait to be called onto the stage by Ms. Stephanie.
- Dancers who are spacing prior to 4:00 are free to leave after they have spaced their dance. Please make sure you are back by 4:45 to line up for bows and dress rehearsal.

Spacing Rehearsals – **ATTENDANCE AT SPACING REHEARSALS IS MANDATORY**
Spacing rehearsals for SHOW 1 are on Thursday, June 2nd (Dress Rehearsal for show 1 is later that day)
Spacing rehearsals for SHOW 2 on Friday, June 3rd (Dress rehearsal for show 2 is later that day)

Having these spacing rehearsals will allow for a smooth run of dress rehearsal, so we will not have to stop to correct spacing problems at the Dress Rehearsal.

Dress Rehearsal Information

Thursday Dress Rehearsal 5:00 p.m. (show 1) (detailed schedule below)
Friday Dress Rehearsal 5:00 p.m. (show 2) (detailed schedule below)
@ Norman North Nancy O'Brian Center

Dress Rehearsal - **Attendance at Dress Rehearsal is mandatory. It is very difficult to get the dancers acclimated to a new surrounding and much bigger space.** Dress Rehearsal will run just like the Recital. Everyone should be in full costume, make-up, etc. This is important, as we will have a professional photographer onsite to take action photos of the dancers. We will run the finale first so your child can leave after their dance(s) are finished. We are estimated to start the actual run of the show at 5:15. All dancers (except company dancers) should be finished by about 6:30. Dancers may sit in the audience to watch dances when they are finished, if they wish. **All dancers must remain backstage for the entire show on recital day. So, this will be their only opportunity to watch the show from the audience. **Parents, because it is distracting to those around you, parents will only be able to take their own video at dress rehearsal. We have hired a professional videographer to video the show on recital day.**

We hire sitters to remain backstage with all dancers during the dress rehearsal and recital. No parents will be allowed to stay backstage unless you have volunteered to be one of the assigned help to your child's class. ****If you would like to be a parent volunteer, you will be needed backstage both for Dress Rehearsal and the entire Recital. You will be able to watch your child from the side of stage. To make sure that all classes are supervised at all times, we cannot allow you to watch your child's dance from the auditorium. If we do not have any parent volunteers, outside help will be hired.**

- The backstage area will be open at 4:30 for dancers to get settled into their space for Dress Rehearsal. If you need to get dressed before 4:30, please use the lobby restroom.

- Upon arrival backstage, you will find a sign determining where your child will be stationed. The sitters/parent volunteers will be backstage in these areas.

- Parents, once you settle your little one backstage in their waiting area, please make your way to the audience to watch dress rehearsal

- If dancers have costume changes, the sitters will be assisting the dancers in their changes. Most dancers will make their costume change at their station area. There are a few dancers who have quick changes that will happen right off the stage and will need to pre-set their costume items before the show begins.

- Since we are running the finale/bows first, your child will be free to leave once they have danced their last dance

****Parents, you are welcome to video and take non-flash photography at dress rehearsal. Please make sure to stay seated, though, not to get in the way of other parents or the photographer.**

5-5:15 - Finale/Bows Show 1 (arrive dressed in first costume)
5:15 - Start Show 1 (see show order below--all class dances-dancers can leave once they are finished) Show 1 (act 1) will be finished about 6:30. Act 2 will be finished about 7:15
